

First and Second questions should appear in a random order to the different respondents.
Then, following their answer (yes/no) the second (and as twice... / and a half...) should appear.

First question

1. would you be willing to pay an additional €2 per month to maintain the perceived quality of the water (with the quantity consumed remaining constant)?

Yes → And twice as much (€4), would you be willing to pay? Yes No

No → And a half (1€), would you be willing to pay? Yes No

OR

1. would you be willing to pay an additional €3 per month to maintain the perceived quality of the water (with the quantity consumed remaining constant)?

Yes → And twice as much (6€), would you be willing to pay? Yes No

No → And a half (1.5€), would you be willing to pay? Yes No

OR

1. would you be willing to pay an additional €4 per month to maintain the perceived quality of the water (with the quantity consumed remaining constant)?

Yes → And twice as much (8€), would you be willing to pay? Yes No

No → And a half (2€), would you be willing to pay? Yes No

Second question

2. would you be willing to pay an additional €2 per month to ensure that there will be no future interruptions to the water supply (apart from those related to network maintenance) and that the quality will remain constant?

Yes → And twice as much (€4), would you be willing to pay? Yes No

No → And a half (1€), would you be willing to pay? Yes No

OR

2. would you be willing to pay an additional €3 per month to ensure that there will be no future interruptions to the water supply (apart from those related to network maintenance) and that the quality will remain constant?

Yes → And twice as much (6€), would you be willing to pay? Yes No
 No → And a half (1.5€), would you be willing to pay? Yes No

OR

2. would you be willing to pay an additional €4 per month to ensure that there will be no future interruptions to the water supply (apart from those related to network maintenance) and that the quality will remain constant?

Yes → And twice as much (8€), would you be willing to pay? Yes No
 No → And a half (2€), would you be willing to pay? Yes No
